

Congratulations to all our youth bowlers! We feel that they are the future of this sport and giving the experience that bowling can bring to them is priceless. From making new friends, the competitive competition of tournaments and just having fun!

We also recognize the parents and family members who bring the kids to the centers on the weekends to bowl in leagues and drive them to the tournaments for them to compete in. Without your support and encouragement junior bowling would be history.

We have worked hard to bring you this ceremony and hope you have enjoyed your time here this afternoon.

Thank you all for coming!

Steve Betts – Service to Youth

Steve is no stranger to bowling, as a kid he would watch his dad bowl on the tour and met our local Mark Roth and several other pro bowlers. When Steve moved to New York from California 12 years ago, he jumped right into our bowling world. He helped Deb and Deb with the Junior program at Lakeview Bowling Center and began working there as the desk person. Steve helped with the Junior Travel League on Saturday afternoons and promoted several youth

tournaments by going from table to table with the entries. Steve became a state rep for 3 years and was the top seller of the state raffle tickets for 2 of those 3 yrs. Along the way, Steve helped many youth bowlers with their game and struggles both on and off the lanes, always there to listen. Some of those bowlers are Jayson Atkins, Beth Piston, Garrett Bishop and Rebecca Wituszynski just to name a few. Steve served on the Syracuse Youth Bowling Association board of Directors for 8 years until the merge last year. He continues to volunteer and promote the youth program and tournaments. Thank you, Steve, for your continued dedication to the sport.
