

Congratulations to both of our youth bowlers!
They truly are the future of this sport. The experiences they are having are priceless. They have made new friends, enjoyed the competitive competition, developed a sense of pride -- and just plain had fun!

We also wish to recognize the parents and family members who bring the kids to bowl in leagues and tournaments in order to compete. Without your support and encouragement, junior bowling would not be what it is today.

We hope you enjoy this afternoon's ceremony!

Thank you all for coming!

Central New York USBC Association's Youth Hall of Fame 2022-2023

Raffles

2022-2023 Youth Hall of Fame Inductees

Jenna Speich – Outstanding Bowler

Jenna Speich has been a part of the youth bowling program for 10 years. She has bowled in league, varsity, state, and national events on a variety of oil patterns. She has participated in junior leagues for 8 years and the Baldwinsville Varsity team for 5 years. Jenna learned how to bowl from her grandparents, Don and Freida Gates, when she was 8 years old. With the help from her grandparents, parents, Bob Gray, Gary Peterson, and Michael Tryniski, and many other individuals, she has improved her game over the years.

As a member of the Baldwinsville Varsity Bowling Team, Jenna was a 4-year starter and served as a co-captain for 1 year. She earned 4 SCAC 1st Team All-League awards and 4 SCAC League Champions honors during her time on the team. Jenna qualified for the Shoot-Out and was selected twice to be on the All-CNY Girls Bowling Team. She contributed to Baldwinsville's back-to-back Section III wins in 2022 and 2023, placing in the top 5 individually this past season. At the NYS Team Championships, Jenna led her team to the State title for Division 1 while earning individual awards of first place high series and third high game. She helped Baldwinsville earn a 98-7 record her senior year, and she finished her last season with a co-MVP award.

Jenna bowls out of Pro's Approach Pro Shop and Training Center every week, where Mike Tryniski and Dan Smith have helped her progress in the sport on and off the lanes. Jenna has competed in challenge and sport shot YBT, CDYST, and Junior Gold Championship events. She has won doubles tournaments including the Christmas Break Youth Doubles Tournament twice with her partner, Julia Speich. She has claimed a few individual accomplishments of qualifying for YBT and CDYST match-play, advancing to Pepsi States, and a holiday tournament title. Jenna was also honored as CNY Athlete of the Week in January.

Jenna committed to bowl for the University of Central Missouri's Women's Bowling Team on National Signing Day. She will continue her bowling career with her sister while majoring in the Professional Pilot program.

Congratulations Jenna Speich!

Julia Speich – Outstanding Bowler

Julia competed in the youth bowling program for 10 years. She has participated in many varsity, league, state, and national level leagues and tournaments including Junior Gold Championships in 2022. She has participated in junior leagues for 8 years, competed in Junior Travel League, Baldwinsville Varsity team for 5 years, and spent many years in summer and sport-compliant leagues and tournaments. Julia's bowling career started as her grandparents, Hall of Famers Don and Freida Gates introduced her to the game at age 8. From there, Bob Gray, Gary Peterson, and Michael Tryniski have paved the way of her success today.

Julia has accumulated many accolades in her Varsity career. Julia was a 5-year starter for the Baldwinsville Varsity Bowling team that took home back-to-back

Section III titles and a State Championship in March of 2023. In Julia's senior year, she was able to earn Section III High-Game award, help lead her team to a 98-7 overall record, finished 2nd in individual series at 2022-23 Sectionals, finished 3rd in individuals at 2022-23 State Championships, held 2nd girls high average in SCAC, and ended her season earning the MVP award. Over her varsity career, she has earned 4 SCAC First Team All-League honors, 4 SCAC League Champions with her team, and All-CNY Girls Bowling Team honors for 2021-22 and 2022-23 seasons.

Julia has represented Pro's Approach Pro Shop and Training Center under the wings of Daniel Smith and Michael Tryniski that has brought Julia's game to a higher level. Because of this, Julia has earned 8 individual and doubles tournament titles with her doubles partner, Jenna Speich. She has also had success competing in CDYST and YBT sport-compliant tournaments with many top 3 finishes. Julia has seen a great amount of attention from the press highlighting her High School team's major milestones, High School average and match updates, carrying on the family tradition of well-known athletes of the sport, National Signing Day, and CNY High School Athlete of the Week.

Julia will continue her bowling career at the University of Central Missouri's NCAA Division 1 Women's bowling program!

Congratulations Julia Speich!
